

For aerated concrete & plasterblocks

BIS CP

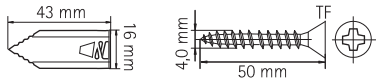

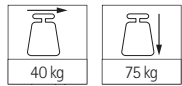

Medium duty

Features and benefits:

- material: steel, zinc plated
- drill 8 mm hole, hammer-in and screw
- does not rotate on screwing
- for medium applications

Part No.	Qty.	Packaging	Remarks
611 7 131	6	Bag	incl. screws (TF)
611 7 141	12	Bag	incl. screws (TF)
611 7 153	100	Stacking bin	incl. screws (TF)
611 7 063	150	Stacking bin	excl. screws

For hollow & solid materials

BIS TWIST

Heavy duty

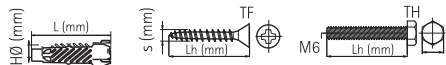

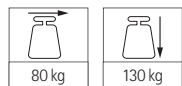

Features and benefits:

- material: steel, zinc plated white
- drill hole, hammer-in and screw
- with collar, to prevent plug from falling into hollow space
- fins prevent rotation
- for metric thread and chipboard screws
- stays in position, when screw is removed

Part No.	HØ	L	Lh	s	Qty.	Packaging	Remarks
611 9 171	8	45	60	5,0	6	Bag	incl. screws (TF)**
611 9 141	8	45	60	5,0	12	Bag	incl. screws (TF)**

611 9 731	10	50	60	6,0	10	Bag	incl. bolts (TH)**
611 9 753	10	50	60	6,0	50	Stacking bin	incl. bolts (TH)**

** also incl. washers

Maximum loads are depending on the quality of the wall. More information on request.

For hard solid materials

BIS HK / HK-S Wire Anchors

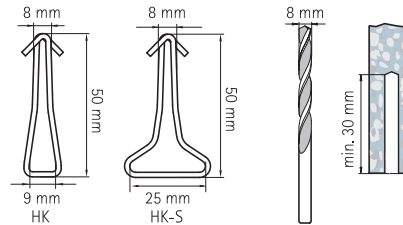

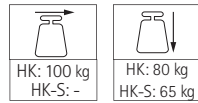

Heavy duty

Features and benefits:

- material: stainless steel 1.4401
- suitable for outdoor use
- drill 8 mm hole and hammer-in
- type HK for wire rope or chains
- type HK-S for suspension band up to width 25 mm
- tested by CSTB
- for heavy applications

Part No.	Type	Qty.	Packaging	Remarks
6107 3 134	HK	200	Stacking bin	-
6107 3 224	HK	100	Stacking bin	incl. caps
6107 3 524	HK-S	100	Stacking bin	incl. setting tool
6107 3 002	Setting tool	1	Bag	for HK and HK-S

Safety factor 1:4.
The maximum loads are depending on the quality of the wall, please contact us for further information.

BIS Plugs & Anchors (EN - 11) (2012 - 27) - Subject to modifications

BIS Plugs & Anchors

Made by ARaymond®

BIS Hammer-in Plugs for plasterboard

No drilling or expansion tool required!

BIS Hammer-in Plugs for plasterboard are reliable and very easy to handle:

- no drilling needed, just hammer-in and screw
- an expansion tool is not required because the plug will expand when screwing in
- anti-rotating design

TIP: In this brochure you will find a small selection of our wide range of BIS Plugs and Anchors.

Please see our catalogue for the full range, alternatively visit our website: www.walraven.com.

BIS MINI

Light duty

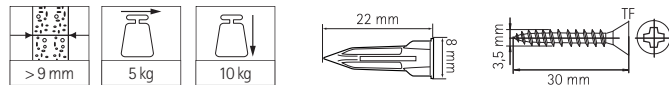

Features and benefits:

- material: ABS, blue
- sharp point for better positioning
- enables close proximity of fixings
- for light applications

Part No.	Qty.	Packaging	Remarks
611 1 111	12	Bag	incl. screws (TF)
611 1 121	25	Bag	incl. screws (TF)
611 1 131	50	Bag	incl. screws (TF)
611 1 511	12	Bag	incl. screws (TF) & hooks
611 1 163	200	Stacking bin	incl. screws (TF)

BIS GOLD

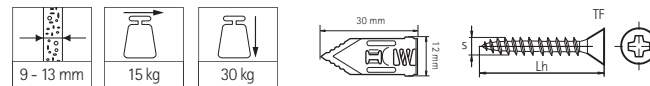

Medium duty

Features and benefits:

- material: steel, plated and passivated
- with flat head
- with serrated point for easier hammering-in
- with screw guide and female wood thread
- removable with very low damage to the wall
- for medium applications
- suitable for several screw diameters (Ø 3,5 up to 5 mm)

Part No.	Lh	s	Qty.	Packaging	Remarks
611 2 211	30	4,0	6	Bag	incl. screws (TF)
611 2 311	50	4,0	6	Bag	incl. screws (TF)

611 2 051	-	-	50	Bag	excl. screws
611 2 063	-	-	200	Stacking bin	excl. screws

! Safety factor 1:2 for BIS MINI, BIS GOLD, BIS TRISTAR, BIS XL, BIS CP and BIS TWIST

BIS TRISTAR

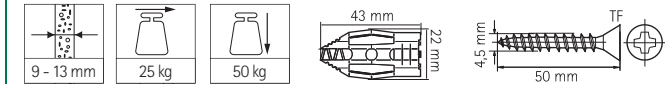

Heavy duty

Features and benefits:

- material: stainless steel
- with flat head
- with serrated point for better penetration
- for heavy applications

Part No.	Qty.	Packaging	Remarks
611 3 631	6	Bag	incl. stainless steel screws (TF) & washers
611 3 531	6	Bag	incl. zinc plated screws (TF) & washers
611 3 541	25	Bag	incl. zinc plated screws (TF) & washers
611 3 563	100	Stacking bin	incl. zinc plated screws (TF) & washers

BIS XL

Heavy duty

Features and benefits:

- material: steel, zinc plated
- with flat head
- for heavy applications

Part No.	Qty.	Packaging	Remarks
611 4 111	6	Bag	incl. screws (TF)
611 4 121	12	Bag	incl. screws (TF)
611 4 143	100	Stacking bin	incl. screws (TF)
611 4 053	150	Stacking bin	excl. screws
