

BIS ARAYTUB

for all pipes 16 - 25 mm

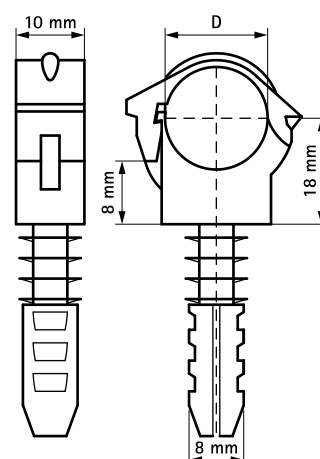

(C 10 35)

Features and Benefits

- clamp with integral plug
- locking with double tothing for extra security
- easy and quick to use
- for massive and hollow materials
- the plug can be expanded with a screw \varnothing 3.5 - 4.5 mm or a nail to get a better pull-out resistance (important in hollow materials)
- material: PA (polyamide), grey
