

Walraven Pacifyre® NCP Wrap

(U04411)

for sealing of insulated, non-flammable pipes

Features and Benefits

- fire protection wrap designed for insulated non-combustible pipes and HVAC split line combinations
 - suitable for both indoor and outdoor applications
 - combines an external glass fabric and an inner intumescent coating
 - pre-slit in the middle and separable lengthwise for easy installation
 - separating the wrap reduces the amount of material needed in the wall
 - proven effective for sealing in timber structures
 - provides protection up to EI 120
- tested and approved according to EN 1366-3
