

# WSA1 Shield Anchor

heavy duty expansion anchor

(L 03 35)

## Prednosti i osobine

- three-part expanding sleeve provides optimal load and safety of use in many substrates
- for use with metric threaded rods or bolts
- suitable for use in multiple base materials
- materijal: čelik
- elektrizom cinkovan
- substrate type:
  - concrete
  - hollow masonry
  - natural stone
