To whom it may concern

J. van Walraven Holding B.V. (Walraven) knows the obligations inherent to the REACH European Regulation and commits to proceed to a constant watch and to inform without delay its customers of all events that could have an impact on the use of one of the substances supplied by Walraven.

Walraven has taken all the necessary measures in order to ensure the compliance with the REACH Regulation of all the substances sold to its clients. At this time, Walraven, as a downstream user, does not manufacture, import or distribute substances or articles containing chemical substances according to REACH. No substances from the SVHC-list are incorporated into the Walraven-products, which has been checked with our suppliers.

Therefore, no pre-registration of our products is necessary.

As soon as any of the above changes, Walraven will comply with all legal obligations following REACH.
