---

#### APPLICATION AND USE

The plastic clips are designated for the fastening of cold- and warm water pipes made of copper or plastic, with nominal external diameters from 10mm up to and including 54 mm.

#### MARKING

The products are marked with the wordmark "KIWA"

Place of the marking:

- on the clip

Compulsory specifications:

- name or mark of the manufacturer: on the clip;
- nominal external diameter(s) of the pipe(s) suitable for the clip: on the clip

Method of marking:

- non-erasable;
- visible after assembly.

#### RECOMMENDATIONS FOR CUSTOMERS

Check at the time of delivery whether:

- the supplier has delivered in accordance with the agreement;
- the mark and the marking method are correct;
- the products show no visible defects as a result of transport etc.

If you should reject a product on the basis of the above, please contact:

- J. van Walraven Holding B.V

and, if necessary,

- Kiwa Nederland B.V.

Consult the supplier's processing guidelines for the proper storage and transport methods.
